

Flashlight Portable Solar Generator Jackery Explorer 240 Portable Battery Generator

Our Product Introduction

Basic Information

- Place of Origin: Shandong, China
- Brand Name: Sunrise
- Certification: ISO
- Model Number: Jackery Explorer 240
- Minimum Order Quantity: 50 Pieces
- Price: 229 USD/Piece
- Packaging Details: Negotiated / Standard Package
- Delivery Time: Negotiated / 20 Working Days After Payment
- Payment Terms: T/T
- Supply Ability: 5000 Pieces/Month

Product Specification

- Product Name: Jackery Explorer 240 Portable Power Station
- Power Source: AC Adapter, Solar Power, 12V Car Charge
- Battery Type: Lithium Ion NMC
- Controller Type: BMS
- Special Features: Flashlight
- Panel Dimensions: 230 X 133.2 X 200 Mm
- Operating Temperatures: -10 - 40
- Place Of Origin: China
- Highlight: Flashlight Portable Solar Generator, Portable Solar Generator Jackery Explorer 240, Jackery Explorer 240 Portable Battery Generator

Product Description

Jackery explorer 240 powerstation. Stores energy that has been converted from solar power or charge at home with the included AC adapter.

Multifunctional Outputs: The Jackery Explorer 240 has a 240 watt-hour (16.8Ah, 14.4V) lithium-ion battery pack. It features 1* AC outlet (110V 200W, 400W peak), 2* USB-A ports, and 1* DC carport. Power many types of equipment such as a phone, laptop, light, fan, mini cooler, etc. with the pure sine wave inverter.

An Excellent Entry-Level Power Solution for Outdoors: A solid portable power solution that can power your iPhone, laptop, and lights while camping or working from home. The lightweight Jackery Explorer 240 has a solid handle for easy carrying. Its simple push-button operation makes it easy to use wherever you go.

Green Solar Generator: The Jackery Explorer 240 has a built-in MPPT controller for maximum eco-friendly solar recharging efficiency with the SolarSaga 60W solar panel (sold separately). You can also recharge the Explorer 240 with a wall outlet, car outlet, and generator.
